Questions

- When you read the stories of people like Noah, Abraham, and Moses, do you every consider that you are running the same race they were? That you are a part of the same story? How would that change the way you view your life and the Christian faith?
- We are usually aware of our need to throw off sin, but do you think most Christians examine their lives for things that are not necessarily wrong but are hindering them in their faith? Why not?
- Do you think most Christians view the race of faith as enduring a marathon (their entire lives) or a series of sprints? What difference does it make?
- What are some reasons the writer says that we are to fix our eyes on Jesus? How does this help us to endure in our struggles?
- How do we practically keep our eyes on Jesus? What does this mean on a day to day or even an hour by hour basis?

Prayer Take a few minutes to pray for each other and our church. Pray that we would fix our eyes on Jesus and passionately run the race of faith. Pray that we would live for the reward that is unshakable.
